About the EEA: NSEE's Experiential Education Academy (EEA) is the nation's premier certificate program for experiential educators. The Academy provides foundational knowledge in the theory and practice of experiential education through workshops offered as pre-conference sessions and throughout the year at our strategic partner institutions. Participation in the Academy also connects you to a large network of faculty and administrators throughout the country who continue to exchange best practices and consult with and for each other.
EEA Certification is earned upon completion of five required sessions and one elective. For more information, visit:  http://www.nsee.org/about-the-eea

To bring the EEA to your campus or region, contact: Ms. Urszula Zalewski (631) 632-6814 or urszula.zalewski@stonybrook.edu
